

**Agency: Department of Transportation and Public Facilities****Project Title:****Project Type:** Remodel, Reconstruction and Upgrades

# Debarr Road School Zone

**State Funding Requested:** \$200,000  
One-Time Need**House District:** Anchorage Areawide (17-32)**Brief Project Description:**

This would fund the implementation of school zone along Debarr Road where students from Begich Middle School would be crossing.

**Funding Plan:**

**Total Cost of Project:** \$200,000  
*There is no other funding needed*

**Detailed Project Description and Justification:**

Many Begich Middle School students walk to and from school and parents, teachers, and drivers have expressed concern that without a school zone along Debarr Road there is a serious risk of traffic accidents involving young pedestrians. Begich principal Jeane Fisher has requested this project, and it is supported by the Northeast Community Council.

**Project Timeline:**

FY2011
