

Agency: Commerce, Community and Economic Development**Grants to Named Recipients (AS 37.05.316)****Grant Recipient: CCS Early Learning (Willow)****Federal Tax ID: 92-0040291****Project Title:****Project Type: Equipment and Materials**

CCS Early Learning - Adult and Youth Day Care

State Funding Requested: \$15,000
One-Time Need**House District: 15 / H****Brief Project Description:**

CCS Meadow Lakes Center Improvements

Funding Plan:**Total Cost of Project: \$15,000***There is no other funding needed***Detailed Project Description and Justification:**

This location provides Head Start services for 60 children living in the Big Lake, Houston, and Meadow Lakes area. Currently we lease 6,400 sq feet, on two floors of the Meadow Lakes City Center. The funding will support multiple projects that need attention. A major concern is the liability we experience with our children by leasing area on the First and Second floors. Funding would provide a safer environment for children in the program by doing away with the second floor and expanding on the first floor. The funding will also help to improve our food services equipment.

Project Timeline:

FY2011 - project will start upon receipt of funding

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

CCS Early learning
