Additional Information / Prior Funding History:

Refer to the funding matrix in the detailed description.

The Community Development Block Grants program has a 2% state general fund match requirement.

Project Description/Justification:

Specific federally-funded programs:

1. Community Services Block Grants: As authorized by federal Public Law 97-35, throughout the United States the federal Department of Health and Human Services (H&HS) has designated 950 Community Action Agencies (CAAs) -- all of whom may then receive federal funding that passes-through their appropriate state agency. Within Alaska the federal H&HS has designated only one CAA -- that entity is the non-profit corporation Rural Alaska Community Action Program, referred to as RurAL CAP.

RurAL CAP's mission is to protect the heritage of, while also improving the quality of life for, low-income rural Alaskans. This is accomplished through educational programs such as alcohol and drug abuse prevention programs, fetal alcohol syndrome prevention programs, and child development programs; adult training; affordable housing programs; advocacy for low-income individuals and instruction on how to advocate for themselves.
