The unexpended and unobligated balance, not to exceed \$85,000, of the appropriation made in sec. 1, ch. 27, SLA 2008, page 17, lines 4 - 5 (Office of the Governor, Branch-wide Oil & Gas Development) is reappropriated to the Department of Labor and Workforce Development, Alaska Workforce Investment Board, for gas pipeline activities for the fiscal year ending June 30, 2010.												
SLA 2009, Ch 14, Sec 9(d) meant to extend the use of gasline funding originally appropriated to the Office of the Governor and allocated to the Department of Labor. However, when the language was drafted, an error was made in the citation, which references instead the department's operating budget. This language fixes that error.
