

Mat-Su - Off-System Bridges

FY2011 Request: \$6,000,000

Reference No: 49131

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Matanuska Susitna Borough

Contact: Frank Richards

House District: Matsu Areawide (HD 13-16)

Contact Phone: (907)465-3900

Estimated Project Dates: 07/01/2010 - 06/30/2015

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Replace existing railroad car bridges at multiple locations with accepted bridge designs. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

A number of roads in the Mat-Su Borough have relied on narrow railroad cars, often without railings and adequate footings or stream clearance, to provide access to subdivisions and developing lands. Most of these railroad car bridges were never designed to any standard and the traffic reliant on these bridges has increased over the years while little bridge maintenance has occurred.
