

**Alaska Marine Highway System - Terminal - Bellingham
Sewage Line Installation**

**FY2011 Request: \$325,000
Reference No: 49134**

AP/AL: Allocation **Project Type:** Water / Sewer / Solid Waste
Category: Health/Human Services
Location: Statewide **Contact:** Jim Beedle
House District: Statewide (HD 1-40) **Contact Phone:** (907)465-6977
Estimated Project Dates: 07/01/2010 - 06/30/2015
Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Install sewer lines to the Alaska Marine Highway System (AMHS) berth at the Bellingham Ferry Terminal. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Proposed regulations will require AMHS to terminate waste disposal from the vessels while in Washington State waters and it is anticipated that the same will be true for Canadian waters. AMHS ferries are unable to hold sewage for the round-trip transit of Ketchikan to Bellingham. In the future, the only legal way to discharge sewage in Canadian and Washington State waters is through an approved sewage system.
