**Project Description/Justification:**

Reclaim and replace pavement along Halibut Point Road, the transportation link between the Alaska Marine Highway terminal and downtown Sitka. The road also provides access from downtown Sitka to recreation facilities at the State of Alaska Starrigavan boat ramp, the USFS Starrigavan campground, and the Tony Hrebar shooting range in Starrigavan Valley. The Alaska State Troopers operate their own shooting range alongside the Tony Hrebar range in Starrigavan Valley. Halibut Point Road sees a significant portion of Sitka's commercial/industrial traffic from the two barge landings situated near the Alaska Marine Highway terminal, the private rock quarry in the 4000 block, and from the City and Borough's Granite Creek Industrial Site.
