

**Manley Hot Springs Shop/Snow Removal Equipment Building (SREB)**

**FY2011 Request: \$900,000**  
**Reference No: 48754**

**AP/AL:** Allocation

**Project Type:** Construction

**Category:** Transportation

**Location:** Manley Hot Springs

**Contact:** Frank Richards

**House District:** Interior Villages (HD 6)

**Contact Phone:** (907)465-3900

**Estimated Project Dates:** 07/01/2010 - 06/30/2015

**Appropriation:** Highways and Facilities

**Brief Summary and Statement of Need:**

Construct a maintenance shop addition to the Manley Airport snow removal equipment building. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

One-Time Startup:	0	0
<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

None.

**Project Description/Justification:**

The current rented shop is inadequate and inefficient. This project would expand the federally funded, planned 40 'x 50' building to 50' x 100' and consolidate the Elliott Highway equipment under one roof in a new energy efficient building. This will eliminate the need for the Department to lease a substandard and inefficient building for highway equipment.
