Matanuska-Susitna Borough - Lazy Mountain Service Area Roads Upgrade

State Funding Requested: \$30,000**House District: 15 / H**

Future Funding May Be Requested

Brief Project Description:

Upgrade service area roads.

Funding Plan:

Total Project Cost:	\$30,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	<u>(\$30,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

Road Service Area roads are continually in need of upgrading to accommodate safety, traffic density, and drainage needs. Road upgrades include all work associated with sub-base and surface preparation; drainage; widening; clearing and grubbing; geotechnical; stream crossings; environmental controls; realignment; connectors; right-of-way and easement acquisition; survey and engineering; and dust control.

Although the RSA's funding needs are much greater than this request, this amount helps meet some of the upgrade requirements.

Subject: Road Service Area's Project Funding Requests

Senator Huggins,

Funding for various projects in all of the Local Road Service Area's located within the Mat-Su Borough has been requested to support the ongoing effort by the RSA's to upgrade all of the Borough roads.

The upgrades include all work associated with but not limited to:

- ROW Verification and Construction Surveying
- ROW and Easement Acquisitions
- Geotechnical Investigation
- Engineering and Design
- Clearing and Grubbing
- Sub-Base and Surface Preparation
- Drainage and Culvert Replacements
- Widening and Realignment of Driving Surfaces
- Construction of Connector Roads
- Stream Crossings Investigation and Installation
- Bridge Rehabilitations
- Dust Control, Chip Seal, and Paving

Your continued support of all efforts by the Local RSA's to bring about these upgrades is greatly appreciated.

Thank You
