Petersburg - Museum Retaining Wall Replacement

State Funding Requested: \$75,000**House District: 2 / A**

One-Time Need

Brief Project Description:

Project will replace the retaining wall for the Clausen Museum in Petersburg and other improvements.

Funding Plan:

Total Project Cost:	\$75,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	<u>(\$75,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

Project will replace the retaining wall for the Clausen Museum in Petersburg and other improvements.

The Clausen Memorial Museum resides at the Fram Street and Second Street intersection, directly across Second Street from the emergency entrance to the Petersburg Medical Center. The museum has employed a retaining wall on the edge of Fram and Second Streets to retain an elevated yard and a sculpture /fountain.

The retaining wall is failing in several locations as evidenced by cracking and displacement of the concrete wall. Complete failure of the wall will result in encroachment of fill into the Second and Fram Street right of ways and will impact parking for the museum and medical center as well as surface drainage structures. This project will serve to demolish the existing wall and install a new engineered retaining wall. Improvements to adjacent parking, sidewalks and surface drainage systems will also be constructed.

Project funding will support engineering, construction support and materials. Project labor and equipment will be supplied by the City of Petersburg.

Project Timeline:

FY12-FY13

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City of Petersburg

Grant Recipient Contact Information:

Name:	Scott Hahn
Title:	City Manager
Address:	12 South Nordic Dr. Petersburg, Alaska 99833
Phone Number:	(907)772-4425
Email:	scott.hahn@ci.petersburg.ak.us

Has this project been through a public review process at the local level and is it a community priority? Yes No
