**Detailed Project Description and Justification:**

Goals for the project: Increase youth engagement and involvement in the program, promote positive peer interactions, and ensure an open and relevant safe haven in Kake.

2010 Togiak Membership 75

2010 Average Daily Attendance 10

Funding would allow staff to increase programming specifically directed at teens, keeping them engaged in positive programming in a safe environment.

Youth technology would be used to:

- Assist in career planning, college search, assisting with applications for either college or for jobs, resume writing, etc.
- For educational support – homework and test preparation
- Offer programming specific to teen recreational interests such as music mixing, animation, etc.

Staff technology would be used to increase availability of training to isolated staff, and increase effective and efficient outcome tracking.
