

Agency: Commerce, Community and Economic Development
Grants to Unincorporated Communities (AS 37.05.317)

Grant Recipient: Stony River

Federal Tax ID: 92-0073477

Project Title:

Project Type: New Construction and Land Acquisition

Stony River - Sanitation Improvement Project

State Funding Requested: \$192,000
 Future Funding May Be Requested

House District: 6 / C

Brief Project Description:

Install water and waste system for homes in the community.

Funding Plan:

Total Project Cost:	\$1,922,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	(\$192,000)
Project Deficit:	\$1,730,000

Funding Details:

We have received funding for Phases 1 & 2. Planning and Feasibility studies. The current requested funding will be used as a match for applying for other grants to cover the total cost.

Detailed Project Description and Justification:

The Native Village of Stony River has developed a sanitation feasibility study to improve water and waste water services to its members. The upgrades consist of installing individual ground water wells and on-site septic tank and drainfield system. A total of 16 homes would be provided for with on-site facilities.

Project Timeline:

This should take approximately two summers FY 2012 & 2013 to complete.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Traditional Council
