Funding Already Secured: (\$0)

FY2012 State Funding Request: (\$50,000)

Project Deficit: \$0

*Funding Details:**New project with new funding request***Detailed Project Description and Justification:**

Our newly acquired building houses the fire department, ALMR base station and office. It is in need of a heating system, running water, insulation, new windows and doors and an enclosed walkway around the building. We would like to purchase office furniture, install new flooring, and provide a kitchenette, offering a meeting place and retreat for the volunteers. We also plan to purchase a weather gauge advisory system to assist in the consideration of wind and temperature readings, thus providing more information for fire variances.
