Anchorage Football Stadium

Project Description:

The concession building and locker room facility at the Anchorage Football Stadium has been closed indefinitely due to serious structural deficiencies. Funds will be used to replace the building, the stadium turf and provide electrical upgrades.

Comments:

The Chester Creek Sports Complex is Anchorage's premier athletic venue, featuring the Sullivan Arena, Mulcahy Baseball Stadium, the Anchorage Football Stadium, Ben Boeke Ice Arena, and the Kosinski Baseball Fields. The Anchorage Football Stadium is home to a variety of high school and community-sponsored football and soccer games. Until the closure, the concession building and locker facilities were used by these organizations.

Justification:

The Chester Creek Sports Complex is one of the most important areas for Anchorage organized sports and community events. Players and spectators deserve high-quality, state-of-the-art facilities. The structural damage to this building presents a safety issue that needs to be remedied as soon as possible.

Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

Parks & Recreation launched the *Clean & Green, Safe & Secure Campaign* with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
