**Detailed Project Description and Justification:**

The Mountain View Cleanup is an annual event that is essential to the health, safety and well-being of the entire Mountain View community. Local residents partner with nonprofits and private organizations to donate hours of hard work in cleaning up the neighborhood. The effort is more than just a beautification effort--the volunteers remove over 200 tons of potentially hazardous material, ranging from toxic waste and biohazards to broken glass, rusty metal and old refrigerators from areas where children play and members of the community recreate. The Mountain View Cleanup gives people pride and a sense of ownership in the well-being of their neighborhood.

These funds would be used to pay for any materials or services necessary to make the cleanup a safe and successful endeavor.
