Brief Summary and Statement of Need:

The Renewable Energy Grant Fund program was created in 2008 with the intent to appropriate \$50 million annually for five years. The Legislature has appropriated \$150 million for this program since its creation. This program contributes to the Department's mission of promoting a healthy economy and strong communities by providing funds for energy projects that promote adequate, reliable, reasonably priced, and a safe supply of energy considered necessary for Alaska's basic infrastructure and economic and technological development.
