Brief Summary and Statement of Need:

Pitka's Point K-8 School Renovation is #13 on the December 17, 2010 CIP Major Maintenance list. This 10,739 square foot school was built in 1980 and 1984. This project will replace systems that have exceeded their useful life, and adds systems that are required by current codes. Renovation will include installation of a fire sprinkler system and replacement of windows, doors, interior finishes, and the mechanical and electrical systems. In addition, the roofing system on the school and generator building will be replaced.
