5 It is the intent of the legislature that the Department of Commerce, Community, and			
6 Economic Development eliminate the requirement for narrative and financial quarterly			
7 reporting for any grant of \$50,000 or less. It is further intended that the department make a			
8 single upfront payment for any grant of \$50,000 or less, conditioned on the department first			
9 receiving a signed certification from the recipient agreeing to use the full grant amount for its			
10 intended purpose, to return all unexpended funds to the state for deposit into the general fund			
11 upon project completion, and to follow all other terms of the department's grant agreement.
