Project Description/Justification:

There is a new federal mandate to ensure the retro-reflectivity of all signs are assessed, inventoried, and replaced as needed. By January 2012, a sign assessment or management system has to be in place to track sign data and ensure timely sign replacement. By January 2015, all ground-mounted regulatory, warning and guide signs must comply with retro-reflectivity requirements and by January 2018, all overhead and street name signs must be compliant.
