

Bethel: Airport Runway/Taxiway/Commercial Apron Pavement Rehabilitation

FY2012 Request: \$13,700,000
Reference No: 51602

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Bethel

House District: Bethel (HD 38)

Impact House District: Bethel (HD 38)

Contact: Marc Luiken

Estimated Project Dates: 07/01/2011 - 06/30/2018

Contact Phone: (907)269-0730

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Resurface asphalt at Bethel Airport, including but not limited to, Runway 1L/19R, Runway 12/30, Taxiway C, portions of the Main Terminal Apron, and connecting Taxiways A, B, and D. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

The Department is taking steps to lower life cycle costs and improve pavement management by taking a more active role in pavement management and strategically addressing transportation assets. The pavement at the Bethel airport has low Pavement Condition Index (PCI) scores that are within the "rehabilitate" range. These operational surfaces need to be addressed at this critical airport.
