

Nanwalek / Port Graham: Airport Master Plan

FY2012 Request: \$1,000,000

Reference No: 51608

AP/AL: Allocation

Project Type: Research / Studies / Planning

Category: Transportation

Location: Nanwalek

House District: Homer/Seward (HD 35)

Impact House District: Homer/Seward (HD 35)

Contact: Marc Luiken

Estimated Project Dates: 07/01/2011 - 06/30/2018

Contact Phone: (907)269-0730

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

The project will continue the development process for a new airport to serve the Nanwalek / Port Graham communities. Both existing airports do not meet current standards for length at less than 2,000 feet each and contain numerous obstructions (both approaches to Nanwalek are obstructed, along with one approach to Port Graham). This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

\$450,000 - Ch 3 SLA 2005 Sec 1 Pg 72 Ln 26

Project Description/Justification:

This grant will assist Chugachmiut in entries, design level geotech investigation (including P-line survey for control), property survey of Native allotments, and preparation of property plan and parcel plats for the Nanwalek-Port Graham Airport. Additional geotechnical analysis will also be conducted.
