**Brief Summary and Statement of Need:**

This request is an estimation of potential federal receipt authority needed for FY12-FY17 projects at the main and community campuses. The University continues to pursue federal funding sources and needs the ability to accept funding. Prior federal receipt authority is nearly exhausted due to Title III funding, thus additional federal receipt authority is necessary. Prior federal receipt authority received in FY11 was used for projects such as the UAS Sitka Renovation of Career and Technical Education Wing, UAS Ketchikan Marine Transportation Davit and Platform, UAF Northwest Campus Renovation, and the UAF IAC Tok Harper Renovation.

**Additional Information / Prior Funding History:**

Prior Federal Receipt Authority: \$15 million in SLA 2009, \$15 million in SLA 2007, and \$10 million in SLA 2004.

**Project Description/Justification:**

The University requests designated receipt authority through the normal budget process for known projects with sufficient lead time. Undesignated authority is necessary to enable the University to act upon opportunities such as grants that are awarded without sufficient time to get funding authority established through the regular legislative process.
