Kachemak - Kachemak Roads Repairs

State Funding Requested: \$60,000**House District: Kenai Areawide (33-35)**

Future Funding May Be Requested

Brief Project Description:

Do major repairs to Kachemak roads, including but not limited to ditch clearing, replacement of inadequate culverts, adding gravel and bringing the roads up to an adequate standard.

Funding Plan:

Total Project Cost:	\$66,000
Funding Already Secured:	(\$6,000)
FY2013 State Funding Request:	<u>(\$60,000)</u>
Project Deficit:	\$0

Funding Details:

For all roads improved the residents will pay a 10% local share. The City of Kachemak has a road reserve fund that will help fund major road projects.

Detailed Project Description and Justification:

The City of Kachemak does not have road powers and the local residents do road maintenance and improvements at their own expense and with grants awarded by the City on an annual basis. Many of the City roads are substandard subdivision roads that were put in many years ago before there were road standards. The City has contracted a site plan on all the roads in the City to see what is needed to bring the roads up to an adequate standard. Kachemak is planning on implementing the major repairs over a period of time, as money allows, to bring the roads up to an adequate maintenance standard. With each road that is improved a local match of at least 10% from the residents will be required.

Project Timeline:

This is a long term plan for the City. The roads will be prioritized with the ones needing immediate repairs done being the highest priority.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Residents 33%, Kachemak Matching Grants 67%

Grant Recipient Contact Information:

Name:	Philemon D. Morris
Title:	Mayor
Address:	Box 958 Homer, Alaska 99603
Phone Number:	(907)235-8897
Email:	kachemak@xyz.net

Has this project been through a public review process at the local level and is it a community priority? Yes No
