Project Description **Principal's Priority** 4

This request is for funding to replace 30-year-old carpet in the psychologist's office, conference room and in the library. The existing carpet is tattered, stained and extremely old.

Benefits if Project is Funded

Students would enjoy going in to the library-it would be like a whole new look if there were new carpet.

Impacts if Project is not Funded

If not done I am afraid the carpet would just get worse. It is already so stained and worn and give a bad reflection of the work that is done in that space.
