Project Description **Principal's Priority** 4

Chester Valley's PE department requests school sets of ice skates, snow shoes, and cross country skis/boots/poles to be used by students during PE class, after school enrichment experiences, and during lunch recess. Chester Valley families would use them during family night events held periodically throughout the school year. Storage carts or racks would be necessary accessory items for these additions to our PE program.

Benefits if Project is Funded

Benefits to Chester Valley's students if this project is completed include enhanced learning experiences through exposure to new sporting opportunities, improved fitness through increased activity during and after the school day and enhanced social and emotional skills as they engage with their family members and peers in outdoor recreational opportunities during the winter months.
