 Email: murphy_sean_asdk12.org

Has this project been through a public review process at the local level and is it a community priority? Yes No

Location **Wonder Park Elementary School**

Project Title: **Purchase Computers for Classrooms**

Amount of Funding Requested \$10,500.00

Total Funding to complete project \$10,500.00

Primary House District: 20 **Secondary House District(s):**

Primary Senate District: J **Secondary Senate District(s):**

Project Description

Principal's Priority 1

Wonder Park Elementary is requesting grant funding for an additional 13 computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. To be connected to the existing interactive white boards. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

All students benefit from an educational program that is active and engaging. Having fixed computers connected to the interactive white boards will make using the boards easier and more effective.

Impacts if Project is not Funded

Without these tools, students will have fewer opportunities to develop the skills they need to be successful in post secondary, vocational and career opportunities.

Location **Wonder Park Elementary School**

Project Title: **Update Security System**

Amount of Funding Requested \$90,000.00

Total Funding to complete project \$90,000.00

Primary House District: 20 **Secondary House District(s):**

Primary Senate District: J **Secondary Senate District(s):**

Project Description

Principal's Priority 4

Augment existing analog CCTV system with a Network Internet Protocol (IP) digital video security system. Installation will include video management software (VMS), megapixel cameras, client workstations, viewing monitors, video storage servers, Power Over Ethernet (POE) switches, encoders, cables, wiring, raceway, labor, testing, and setup to give the District an upgraded turnkey Network IP digital video security system. Network Video Encoders will be used to incorporate our existing analog CCTV cameras into the new digital IP video security system. Scope of work includes installation of 12 IP cameras, one workstation and two monitors.

Benefits if Project is Funded

This project will help to reduce operational cost due to repairs associated with District-wide vandalism.

Project Type Infrastructure

Location Wonder Park Elementary School

Project Title: Purchase Mobile Computer Lab

Amount of Funding Requested \$36,750.00

Total Funding to complete project \$36,750.00

Primary House District: 20 **Secondary House District(s):**

Primary Senate District: J **Secondary Senate District(s):**

Project Description **Principal's Priority** 3

Wonder Park Elementary is requesting grant funding for an additional 30 computers with a laptop cart. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Due to limited time available in the computer lab, classrooms would benefit from having the ability to work on research and content creation projects in the classroom when the need arises.

Impacts if Project is not Funded

Without these tools, students will have fewer opportunities to develop the skills they need to be successful in post secondary, vocational and career opportunities.
