Anchorage School District - Girdwood School Gym Improvements

State Funding Requested: \$40,000**House District: Anchorage Areawide (16-32)**

One-Time Need

Brief Project Description:

Replace existing gym lighting system with T5 high output high bay lighting.

Funding Plan:

Total Project Cost:	\$40,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$40,000)</u>
Project Deficit:	\$0

*Funding Details:**This project has no prior state funding.***Detailed Project Description and Justification:**

Girdwood K-8 school currently has one of the highest usages of energy per square foot of ASD elementary schools. The school's aging gym lighting system, which is on at least 12 hours per day during the week (the school is used by Four Valleys Community School after the school day), is not energy efficient and provides poor lighting with an orange cast. New lighting will result in better light and lower energy cost for the district. 165 students will be impacted by this appropriation. This request was developed at the school level, reviewed by District technical staff and endorsed by ASD leadership. All requests have been shared with the School Board.

Project Timeline:

Expenditures are to occur 2012-2013.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Anchorage School District
