**Project Description**

**Principal's Priority**                      4

Polaris K-12 School is requesting grant funding for 30 computers and one mobile cart to house the computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

**Benefits if Project is Funded**

If the project is completed, teachers will be able to continue to provide instruction that utilizes technology while RTI assessments and instruction is taking place in the computer labs.

**Impacts if Project is not Funded**

If not completed, teachers will have to dramatically reduce the amount of daily instruction that integrates the use of technology.
