Cordova - Bike Rack Construction

State Funding Requested: \$4,000**House District: 5 / C**

One-Time Need

Brief Project Description:

We would use this funding to construct several bike racks by our schools.

Funding Plan:

Total Project Cost:	\$4,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$4,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

Cordova has made considerable efforts in developing our "Safe Routes to Schools" efforts for our students. By encouraging more of our students to walk/ride a bike to school, we are combatting obesity while we develop strong health habits that will influence a healthy life style. At the same time we reduce traffic, combat high price of fuel, and create a positive/healthy life style.

Due to the poor weather patterns often experienced in Cordova, we are requesting support for covered bike racks. Areas to prepare the bike for the ride home (strapping on helmets/attaching book bags/etc) would complement our efforts to encourage more biking in our community.

Project Timeline:

Upon award of funding, we would begin immediately.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Cordova Schools

Grant Recipient Contact Information:

Name:	Jim Nygaard
Title:	Supt of Schools
Address:	675 2nd Street Cordova, Alaska 99574
Phone Number:	(907)424-3265
Email:	jnygaard@cordovasd.org

Has this project been through a public review process at the local level and is it a community priority? Yes No

For use by Co-chair Staff Only:
