## Angoon - Headstart Playground

**State Funding Requested: \$30,000****House District: 5 / C**

Future Funding May Be Requested

**Brief Project Description:**

The City of Angoon would like to continue adding to the local head start playground.

**Funding Plan:**

Total Project Cost:	\$30,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$30,000)</u>
Project Deficit:	\$0

*Funding Details:**FY 2011 State of Alaska***Detailed Project Description and Justification:**

The City of Angoon is requesting funding to continue upgrading the local head start playground. We received previous funds that allowed us to install a small play area but would like to expand on the area. The area we have currently is very small and does not allow for sufficient play.

The following is cited in "The Benefits of Playgrounds for Children Aged 0-5" by Duerr Evaluation Resources:

"Playgrounds provide crucial and vital opportunities for children to play. There is substantial research showing the clear link between play and brain development, motor-skills, and social capabilities. All learning--emotional, social, motor and cognitive--is accelerated, facilitated, and fueled by the pleasure of play. Playgrounds that promote different types of play are vital for a child's cognitive, emotional, physical, and social development. Research on brain development shows that the most crucial time for a child's development is in the earliest years. The act of play by a child stimulates brain development and function and has a key role in building the foundation, organization, and capabilities of the brain. It is very important for children to have many regular opportunities for a variety of gross motor activities. Children that do not get crucial interaction in their first six years will face a lifetime of limited brain power."

It is widely known how important it is to have a playground in the early years of life. Angoon would like to see this important project proceed forward.

**Project Timeline:**

FY 12 - Purchase Play Ground Equipment  
FY 12 - Installation of Equipment

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

City of Angoon
