Skagway - Recycling and Solid Waste Plan

State Funding Requested: \$100,000**House District: 5 / C**

One-Time Need

Brief Project Description:

To prepare a Municipal Recycling & Solid Waste Plan.

Funding Plan:

Total Project Cost: \$100,000

Funding Already Secured: (\$0)

FY2013 State Funding Request: (\$100,000)

Project Deficit: \$0

*Funding Details:**No previous requests for this project.***Detailed Project Description and Justification:**

The Municipality of Skagway has 965 year around residents however from May 1st to Oct1st we easily grow at times to a daytime population in excess of 20,000. That amount of waste on a small community that essentially incinerates most of it's Solid Waste is staggering, further we feel that with a plan there may be oppurtunities to better implement the handling of our solid waste & recyclables.

Project Timeline:

With Grant Funding approval the Municipality already has it's Recycling Committee(volunteers) appointed & will move to bring aboard a consultant & to have an active plan approve with initial implementation occurunf Spring of 2013.
