## Soldotna - Police Building Roof Replacement

**State Funding Requested: \$325,000****House District: Kenai Areawide (33-35)**

One-Time Need

**Brief Project Description:**

This project will replace the aging and failing roof at the Soldotna Police Department building.

**Funding Plan:**

Total Project Cost:	\$325,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$325,000)</u>
Project Deficit:	\$0

**Detailed Project Description and Justification:**

The Soldotna Police Department building was constructed 18 years ago with an EPDM and concrete paver roof. The roof design is contributing to its failure due to vegetation growth between the pavers. Ongoing maintenance has prevented complete failure; this project would remove the existing concrete pavers and replace the roof system with a fully adhered EPDM ballasted membrane.
