# Chatham School District - Gym Restoration Projects

**State Funding Requested: \$35,000****House District: 5 / C**

One-Time Need

**Brief Project Description:**

The restoration project would bring Chatham School District gym floor and facilities up to current codes.

**Funding Plan:**

Total Project Cost:	\$35,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$35,000)</u>
Project Deficit:	\$0

**Detailed Project Description and Justification:**

In Angoon the current gym floor and facilities have not seen any improvements since the high school gym was built in 1978, and the improvements at the elementary gym since sometime in the 1960s. The work on the high school floor would be its first such major floor work.

The Chatham School District is located in four different communities (Angoon, Tenakee Springs, Gustavus, and Klukwan). Geographically the school district is approximately the size of the State of Rhode Island. Because of its size, both in distance from services and population the district nor the school can take on the cost of such an extensive improvement project.

The intent is to improve the existing surfaces, replace and efficiently modernize the existing gyms, equipment in the gyms, to meet current codes for ling range school and community usage.

**Project Timeline:**

As soon as funds are available, project would be started.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Chatham School District

## CAPIS Request for Senator Albert Kookesh Senate District C

Project Title: Gym Restoration for the Chatham School District

Federal Tax ID: #92-0057395

Funding amount request: \$35,000

### Project Description:

This request would fill a need that Chatham School District, Angoon specifically, has for bringing the gym floors and facilities up to current codes.

The current gym floor and facilities have not seen any improvements since the high school gym was built in 1978, and the improvements at the elementary gym since sometime in the 60's. The work on the high school floor would be its first such major floor work.

### Detailed Project Description and Justification:

The Chatham School District is located in four different communities (Angoon, Tenakee Springs, Gustavus, and Klukwan). Geographically the school district is approximately the size of the State of Rhode Island. Because of its size, both in distance from services and population the district nor the school can take on the cost of such an extensive improvement project.

The intent is to improve the existing surfaces, replace and efficiently modernize the existing gyms, equipment in the gyms, to meet current codes for long range school and community usage.
