Project Description/Justification:

The funding will be used for game related costs for 2013 Arctic Winter Games. Team Alaska was established in 1968 by the state as a nonprofit, statewide organization to organize, select, uniform, and transport Alaska's young athletes to the biennial international Arctic Winter Games. More than 20 sporting events, traditional dance and music, make the Arctic Winter Games a very important cultural event for young Alaskans.

For many youth, this event is a pivotal time in their lives. Over the years, many young Team Alaska athletes have expressed how important the experience of the games has been in their lives. It is the goal of Arctic Winter Games Team Alaska to keep the registration fee paid by participants at a level attainable by all young Alaskans. These funds will ensure that Alaskan youth can participate in 2013 Games in Whitehorse, Yukon, Canada.

The state funds will supplement private sector corporate sponsorships and help defray the cost to the athletes.
