

Wasilla - Lake Lucille Dam Improvements

FY2013 Request: \$300,000

Reference No: 50334

AP/AL: Appropriation

Project Type: Life / Health / Safety

Category: Development

Recipient: Wasilla

Location: Mat-Su Areawide

House District: Matsu Areawide (HD 13-16)

Impact House District: Matsu Areawide (HD 13-16)

Contact: JoEllen Hanrahan

Estimated Project Dates: 07/01/2012 - 06/30/2017 **Contact Phone:** (907)465-2506

Brief Summary and Statement of Need:

This project would provide funding for emergency repairs at the Lake Lucille Dam due to structural failure at the dam. The main issue currently is the water level of the lake and the potential impact on property owners should the dam fail entirely.

Project Description/Justification:

The Lake Lucille dam was built by the Department of Fish & Game (DFG) employees decades ago on private land. DFG does not own the structure. It is currently on the brink of structural failure and is in need of emergency repairs. It has been determined that the best way to efficiently and appropriately fix the dam is to appropriate the funding to the City of Wasilla through a municipal grant and the City can contract to have the dam fixed.
