**Project Description/Justification:**

The Civil Support Team facility Building 52 (ANG 0052) has been retained by the Department of Military and Veterans Affairs for the Alaska Army National Guard, and upgrades are necessary to meet use requirements. Fencing upgrades are also necessary for federal and state portions of the CTS base, as mandated by Army Anti-Terrorism protection and State airport security requirements. Priorities and cost estimates may need to be changed to accommodate emergency maintenance projects not listed, actual project costs, and other considerations.
