Brief Summary and Statement of Need:

Civil settlement funds from the Exxon Valdez oil spill will be used to purchase approximately 52 acres on the Kenai River located at River Mile 11. The parcel would provide public access and a safe boat launch. The Exxon Valdez Oil Spill Trustee Council (EVOS) determined this parcel contributes to the restoration of resources and services injured by the Exxon Valdez oil spill. Acquisition of this parcel will enhance access to public lands, assist in resource management, and provide benefits to the local communities. This activity is consistent with Objective III of the Division of Parks and Outdoor Recreation's Ten-Year Strategic Plan, to pursue new state park lands and access to meet current and future demand.
