

Galena - Airport Lighting

FY2013 Request: \$1,760,000
Reference No: 39367

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Galena

House District: Interior Villages (HD 6)

Impact House District: Interior Villages (HD 6)

Contact: Steve Hatter

Estimated Project Dates: 07/01/2012 - 06/30/2019

Contact Phone: (907)269-0730

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Replace the existing high voltage runway lighting system with Medium Intensity Runway Lights (MIRL).

Additional Information / Prior Funding History:

None.

Project Description/Justification:

The current high voltage lighting system is aging and expensive to operate, and is not needed for current operations in Galena. Maintenance & Operations crews are not trained to operate and maintain this system. A MIRL system is more practical and cost effective.

This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.
