FY2006 - \$4,200,000; FY2003 - \$3,600,000.

Project Description/Justification:

Pavement repair is needed on numerous routes throughout Anchorage to maintain adequate driving speed, comfort and safety and reduce the increasing need for patching, crack sealing and pothole repair.

This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.
