No prior funding history

Project Description/Justification:

Through legislation, the Pubic Building Fund program was developed identifying the Department of Administration (DOA) as the responsible entity for the care and custody of the stated Buildings. Formerly, the buildings located in Juneau were managed and operated by the Department of Transportation and Public Facilities (DOT/PF).

Currently, DOT/PF continues to receive 100% of the allocated state Americans with Disabilities Act (ADA) funds annually, and identifies how and where the funds will be distributed. DOA is requesting ADA capital funds similarly be appropriated directly to its budget.

The Department of Administration is requesting a capital appropriation in the amount of \$192,300 to address the ongoing facilities obligations to comply with federal ADA Regulations and Standards, revised March 15, 2011 and Administrative Order 129.
