

# **State of Alaska FY2014 Governor's Operating Budget**

**Department of Administration  
Office of the Commissioner  
Component Budget Summary**

**Component: Office of the Commissioner**

**Contribution to Department's Mission**

The mission of the Commissioner's Office is to oversee and provide policy direction for the work of the Department of Administration, which consists of five external customer service divisions (Motor Vehicles, Public Defender, Public Advocacy and Retirement and Benefits), six internal customer divisions (Administrative Services, Enterprise Technology, Finance, General Services, Personnel and Labor Relations and Risk Management), and five quasi-independent boards and commissions (Alaska Public Broadcasting, Alaska Oil and Gas Conservation Commission, Alaska Public Offices Commission, Administrative Hearings and Violent Crimes Compensation Board).

**Core Services**

- Supervision and policy direction for Department divisions.

**Major Component Accomplishments in 2012**

- Returned recruitment and management services functions to the departments
- Initiated a new wellness program for the AlaskaCare Active plan.
- Conducted a space use analysis and developed new space standards
- Consolidated the Department of Health and Social Services hearing officer positions within the Office of Administrative Hearings.
- Concluded collective bargaining agreements with Public Employees Local 71 and TEAME.
- Worked on aligning the timing of the chargeback process with the timing of the budget cycle.
- Initiated a reorganization of the Division of Retirement & Benefits that will ultimately result in the ability to repurpose existing positions to accommodate growing volume.

**Key Component Challenges**

**Retirement Systems Unfunded Liability** - The PERS and TRS retirement systems are short funded in the amount of \$11 billion. The Commissioner's office continues to work with stakeholder groups on how to address this issue.

**Healthcare** - The State of Alaska is one of the largest, if not the largest, purchasers of healthcare services in the state. The State's currently spending more than \$2 billion/year on healthcare amongst its various populations (Medicaid, active employees, retired, workers' compensation, and corrections). The rate of annual increase of between 7 and 9 percent is not sustainable. The Commissioner's Office is working to address this issue through active management of the employee and retiree health plans.

**Administrative Systems Replacement** - The time has come to replace two critical but aging administrative systems: AKSAS and AKPAY. AKSAS is the state's general ledger and is used by all state departments. AKPAY is the state's payroll system it is used to process payroll for all state employees. The Division of Finance is leading this effort. The Commissioner's Office is actively involved in supervision of this project, as well as promoting the benefits of this project for the entire executive branch.

**Collective Bargaining Agreements** - The department negotiates collective bargaining agreements with each of the 11 unions that represent employees in the executive branch. Each year we negotiate 3 to 4 of these agreements. The Commissioner's Office is actively involved in these negotiations. The primary challenge is to negotiate agreements that are consistent, fair and fiscally prudent.

**Significant Changes in Results to be Delivered in FY2014**

**Customer Service** - The Commissioner's Office will emphasize the importance of customer service in all that we do, and to implement measurement of the quality of the services we deliver.
