# Fairbanks North Star Borough - Hutchison High School Classroom and Vocational Technology Upgrade

**State Funding Requested: \$35,000****House District: Fairbanks Areawide (1-5)**

One-Time Need

**Brief Project Description:**

This grant will be used to purchase upgraded and replacement classroom and vocational technology.

**Funding Plan:**

Total Project Cost:	\$35,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	<u>(\$35,000)</u>
Project Deficit:	\$0

*Funding Details:**No previous funding history.***Detailed Project Description and Justification:**

This grant will be utilized to upgrade classroom and vocational education digital technology -- Hutchison High needs a wide variety of classroom and career training digital equipment, including replacement GPS units, document cameras, video equipment, Smartboards (interactive computer-connected writing boards), and so on. Teachers are increasingly successful engaging teenage students in project based learning that incorporated digital technology. Career and technical education requires a heavy emphasis on up-to-date digital equipment; which is expensive to update.

**Project Timeline:**

All equipment will be purchased prior to the end of the 2013/2014 school year (May 2014) and be installed and functional prior to the start of the 2013 school year (August 2014).

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Fairbanks North Star Borough School District
