**Principal's Priority**                    2

Wonder Park is requesting grant funding for additional 30 touch technology with headphones. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

**Benefits if Project is Funded**

Through the use of these innovative tools for learning, students will improve basic student literacy and numeracy skills and English language skills while acquiring important technology skills and concepts. Without these tools, these students will have fewer opportunities to develop the skills they need to be successful in post secondary, vocational and career opportunities.
