Project Description

Principal's Priority 1

Mount Spurr is requesting grant funding for additional interactive display devices. These devices may include SMART boards, Promethean boards, interactive projectors, or other interactive display technology as allowed for on the ASD approved technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

If completed: State-of-the-art digital equipment increases the reliability of use in lessons.
If not completed: Our existing digital resources are 3-6 years old and are reaching the end of their life. Replacement equipment will help us sustain these instructional resources for student-centered classrooms.

Impacts if Project is not Funded

of Students impacted by project 275

Project Start Year 2013

Project Finish Year 2014

Project has matching funds are available **No**

Project has prior state funding available **No**

Project has federal funding available **No**

Project has had a public review process **Yes**
