Primary House District: 23 **Secondary House District(s):** 27

Primary Senate District: L **Secondary Senate District(s):** N

Project Description

Principal's Priority 1

O'Malley is requesting grant funding for various classroom based technology. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment. This technology may include, but is not limited to:

- printers
- interactive display technology
- touch technology devices
- computers
- classroom response systems (clickers)
- cameras
- replacement projector bulbs
- replacement batteries,
- gps devices
- science instruments / probes

Benefits if Project is Funded

This grant will allow more students to access and benefit from 21st Century learning by providing teachers with the ability to access and use technology daily in their classrooms (as opposed to weekly computer lab time). This technology will be supported through our active technology committee and district specialists so that more students will benefit from this meaningful integration on a daily basis.

Impacts if Project is not Funded

of Students impacted by project 308
