Project Description

Principal's Priority

2

Orion is requesting grant funding for additional 30 touch technology devices, cases, keyboards, and educational applications. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

The benefits of using iPads are numerous. Staff members will be able to leave their desktop computers and move more freely among students as they collect data, provide instruction and interventions, manage interactive technology, and interact with students and their learning.
