Anchorage - Design Upgrades to Yosemite Drive

State Funding Requested: \$1,900,000**House District: Anchorage Areawide (11-27)**

Future Funding May Be Requested

Brief Project Description:

Design for upgrades to Yosemite Drive

Funding Plan:

Total Project Cost:	\$7,900,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	<u>(\$1,900,000)</u>
Project Deficit:	\$6,000,000

Detailed Project Description and Justification:

This grant would fund the design services necessary to upgrade Yosemite Drive, the access road that serves Eagle River High School. This work is required to finalize the plat for the Eagle River High School site. The project will be constructed in conjunction with the Municipality of Anchorage's project to remediate the drainage issues in this area. The scope of work will eventually include widening the road, installing curbs and gutter and adding an additional walking path on the west side of the road. The completed road will ensure safe vehicular and foot traffic along the access to Eagle River High School. If not completed, the plat for this site will not be completed and recorded.

Design of this project may also include a pedestrian overpass as part of the final project.

This request was developed at the school level, reviewed by District technical staff and endorsed by ASD leadership. All requests have been presented to the School Board.

Project Timeline:

Project Start Year 2013

Project Finish Year 2014

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Anchorage School District

Grant Recipient Contact Information:

Name:	Jim Browder
Title:	Superintendent
Address:	5530 E Northern Lights Blvd. Anchorage, Alaska 99504
Phone Number:	(907)742-4312

Project Description**Principal's Priority**

3

This grant would fund the design and construction services necessary to upgrade Yosemite Drive, the access road that serves Eagle River High School. This work is required to finalize the plat for the Eagle River High School site. The project will be constructed in conjunction with the Municipality of Anchorage's project to remediate the drainage issues in this area. The scope of work includes widening the road, installing curbs and gutter and adding an additional walking path on the west side of the road. If the legislature chose to fund design first, the request for funds is \$1.9 million. The remaining funds for construction would be requested at a later date.

Benefits if Project is Funded

The completed road will ensure safe vehicular and foot traffic along the access to Eagle River High School. If not completed the plat for this site will not be completed and recorded.

Impacts if Project is not Funded**# of Students impacted by project** 840**Project Start Year** 2013**Project Finish Year** 2014**Project has matching funds are available** No**Project has prior state funding available** No**Project has federal funding available** No**Project has had a public review process** Yes
