# Anchorage Park Foundation - Creekside Park Little League Field

**State Funding Requested: \$25,000****House District: Anchorage Areawide (11-27)**

One-Time Need

**Brief Project Description:**

Upgrade the field turf, dugouts and spectator bleachers to accommodate Little League practices and games

**Funding Plan:**

Total Project Cost:	\$25,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	(\$25,000)
Project Deficit:	\$0

**Detailed Project Description and Justification:**

The Anchorage Parks Report Card offers a comprehensive review of the condition of Anchorage neighborhood parks by reflecting community opinions and ideas. In the Fall of 2008, Anchorage community volunteers evaluated 54 neighborhood parks based on five criteria: cleanliness; safety; structure; appearance; and function. We will use this information to strategically employ resources, both financial and volunteer, to better meet the needs of our community.

In 2008, Creekside Park received a D on its Report Card. Neighbors identified a number of areas in which Creekside Park needed improvement. Playground equipment is broken and covered in graffiti. There is often litter covering the ground, and the park has poor lighting, which could be a factor contributing to the unsafe activity often occurring. The picnic shelter needs cleaning and the picnic tables and benches are in need of repair and a fresh coat of paint. The first phase in rehabilitating this park is to upgrade the baseball field at Creekside Park by improving the field turf, dugouts and spectator bleachers. By activating this positive use through improvements to the baseball field, we hope to begin the process of making Creekside Park a usable, valuable neighborhood resource.

In the summer of 2014, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements to the baseball field at Creekside Park with the help of community volunteers and the input of a neighborhood park committee. We invite the Alaska State Legislature to join us in investing in the future of Creekside Park and the East Anchorage community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.

# Creekside Park Little League

From the Russian Jack Community Council meeting on February 13, 2013:

Kathleen Plunkett moved and Fred McLeary seconded:

Russian Jack Community Council supports the following items from the Anchorage Park Foundation 2013 legislative requests for area-wide projects:

1. Trail Watch Safety - Youth Employment in Parks Program \$100,000 for trail safety improvements to prioritized sections of the Anchorage Trail System identified by Trail Watch volunteers. Many of the improvements will be made by crews from the Youth Employment in the Parks program and organized volunteer events.
2. Anchorage Disc Golf Course development. \$250,000 to plan, purchase and install disc golf courses in the Anchorage Bowl. One likely destination for a course is nearby Davis Park.
3. Northeast Anchorage Bike Skills and Pump Track. \$61,000 to build a bike skills and pump track course. A pump track is a biking loop with small hills and technical features for mountain bike training. The most likely destination for this course is also Davis Park.
4. Centennial Park, Pena Ballfields. \$50,000 for improvements to the Pena Ballfields.
5. Creekside Park Little League. \$25,000 to perform upgrades to the field, dugouts and bleachers.
6. Tikishla Park. \$50,000 for upgrades to Tikishla Park. This would include removing the defunct snack shack, converting the south ball field into a soccer field or green space, and thinning the woods around the park to increase visibility. If funding is granted, APF will contribute an additional \$40,000 to the project.

Motion passed unanimously ( 8 - 0 ).
