**Project Description**      **Principal's Priority**      7

Upgrade the current security camera system and add cameras in unmonitored areas.

### **Benefits if Project is Funded**

Upgrading the current security camera system will support student and staff safety. If the security camera system isn't upgraded areas that are currently not monitored will continue to go unmonitored. Currently, the south entrance of the building does not have cameras and was vandalized numerous times over the spring, summer and fall of 2012.
