

**Sutton - Palmer Correctional Center Deferred Maintenance**    **FY2014 Request:**    **\$200,000**  
**Reference No:**    **45605**

**AP/AL:** Allocation    **Project Type:** Deferred Maintenance  
**Category:** Public Protection  
**Location:** Sutton    **House District:** Richardson Highway (HD 6)  
**Impact House District:** Richardson Highway (HD 6)    **Contact:** Leslie Houston  
**Estimated Project Dates:** 07/01/2013 - 06/30/2018    **Contact Phone:** (907)465-3339  
**Appropriation:** Deferred Maintenance, Renewal, Repair and Equipment

**Brief Summary and Statement of Need:**

This project provides renewal, replacement, renovation, remodeling and repair of essential electrical, mechanical, roofing, walls, fire and life safety, security, structural, food service, pavements and site drainage systems within the Palmer Correctional Center. This work is required to enable continued secure and efficient operation of this 24-hour incarceration facility in order to keep the community safe from offenders placed in the department's custody.

 Sec1 Ch5 SLA2011 P80 L17 SB46 \$600,000

**Project Description/Justification:**

The Palmer Correctional Center (PCC) was constructed in phases between 1973 and 1995 and includes 180,000 square feet of space. This project replaces the obsolete fire alarm detection system at the PCC.

These projects are from a compilation of essential capital maintenance requirements at this institution. The list is fluid between the time it is prepared and the time the appropriation is authorized. During this time period, other critical projects may be identified while several projects already on the list have reached completion. Funds are then allocated to the most urgent of the remaining projects. The projects that could not be completed become the basis of the next fiscal year capital appropriation request. Adjustments to the deferred maintenance project allocations may be necessary between all 24-hour institutional facilities to meet emergency needs as they arise.
